

LEGAL INFRASTRUCTURE FOR YOUR SERVICE BUSINESS

at a glance

The Legal Department helps you identify opportunities to strengthen and protect your business so that you can achieve the success you desire.

GOVERNMENT REGULATIONS

ENTITY STRUCTURE

The type, organization, structure and governance of your business entity is the most basic aspect of your business foundation.

REGULATORY COMPLIANCE

Many service professionals are governed by specialized rules and regulations in addition to the general regulations that must be followed by all.

EXTERNAL RELATIONSHIPS

CLIENT RELATIONSHIPS

Having direct, honest relationships (represented by clear service contracts) with your clients is the key to repeat business, referrals, and long-term success.

VENDOR RELATIONSHIPS

When you're the client, understanding the agreement and how the relationship should work, as well as any ramifications if something goes wrong is critical.

WHAT YOU CREATE

INTELLECTUAL PROPERTY

Copyrights and trademarks are two areas of intellectual property very important for helping service companies protect their business assets.

INTERNAL RELATIONSHIPS

OWNER RELATIONSHIPS

Without strong structure, guidelines or rules to establish expectations and accountability, business partners can pose a high risk of business failure.

WORKER RELATIONSHIPS

Relationships with those who serve your clients (i.e., employees or independent contractors) need to be represented by written contracts to protect you and your clients.
